Amended and Restated Rules and Regulations

FORWARD

The following Amended and Restated Rules and Regulations have been adopted and will be administered by the Heritage Pointe Master Association Board of Directors and may be changed at any time by the Board. These Rules and Regulations combine and amend the following two sets of Rules and Regulations recorded in Instrument # 201000021654, Public Records of Lee County, Florida, as amended from time to time-RULES AND REGULATIONS FOR HERITAGE POINTE MASTER ASSOCIATION, INC. and RULES AND REGULATIONS FOR TERRACE AT HERITAGE POINTE CONDOMINIUMS. It is the intent of the officers and directors to limit these Rules and Regulations so that everyone will obtain maximum use and enjoyment of the facilities. Although they place some restriction on owners and guest activities, they are intended to respect the rights of the membership as a whole. Enforcement of the Rules and Regulations will primarily be placed in the hands of carefully selected staff. It is the duty of those using the facilities to know these Rules and Regulations and to cooperate with enforcement.

PARKING

Covered and uncovered parking spaces have been provided for the parking of private vehicles. Covered spaces are for residents of that assigned unit; uncovered spaces are for everyone. Parking/storage of a boat, camper, commercial vehicle, non-operational or invalidly licensed vehicle is not allowed anywhere on HP property. Vehicles with trailers will be allowed one night, twice a year, to load or unload, and must be parked in uncovered spaces only.

Parking is only allowed in designated and marked parking spaces with a valid parking permit, which is available upon registration. Only one vehicle per parking space is allowed. You must park so that no portion of your vehicle extends over the sidewalk or into the road. The uncovered spaces accommodate longer vehicles.

No repairs or maintenance of vehicles may be performed, except emergency repairs.

Vehicles are permitted to be washed in the condominium parking spaces, using only bio-degradable soap. No washing of vehicles at the Community Center parking lots.

Covered vehicles must be parked in the unit's assigned spot under the carport. Each vehicle must have an identifying tag (luggage tag) on the rear of the vehicle showing the license plate number and unit's parking permit number. Covers must be securely tied and in good condition. If a cover becomes loose, we will contact the owner to correct the problem. If it is not corrected, or if the cover is torn, the cover will be removed.

Because there are limited parking spaces, each unit is permitted a maximum of two vehicles on the premises. A non-renewable guest parking pass for a maximum length of two weeks is allowed for a unit that occasionally needs more than two vehicles. Any vehicle parked in violation of the parking restrictions is subject to towing, with the owner of the vehicle responsible for all towing costs.

PETS AND ANIMALS

Only owners are allowed to have pets. Any pet in a unit when the owner is present is assumed to be the owner's. Not more than two (2) commonly accepted household pets such as a dog or cat may be kept by owners in their unit, subject to other reasonable regulation by the Master Association. Such pet must be registered with the HP office to obtain a tag which then must be attached to the collar or leash in a manner to be visible when the pet is outside the owner's unit. All animals must be leashed when outdoors or kept within the living unit and shall not be allowed to roam free. The Board of Directors may impose reasonable restrictions upon how and where pets may be permitted upon the common elements. All owners are to clean up after their pets. Dispose waste properly in dumpsters. In addition, the owner may keep tropical fish in a tank no larger than 50 gallons, and no more than two (2) caged birds. The ability to keep a pet is a privilege, not a right. If in the opinion of the Board, any pet becomes the source of unreasonable annoyance to others, or the owner of the pet fails or refuses to comply with these restrictions, the owner, upon written notice may be required to remove the pet from the Condominium. Tenants are not allowed to have pets. It is a violation of our Declarations of Condominium and will result in the termination of the lease.

They are not to be used for storage of bicycles, wagons, baby strollers, shopping carts, chairs, benches, tables or any other similar object. Flags must not exceed 4½ by 6 feet. Flag may be displayed in the inside of unit window, on the unit entry door, or within the unit lanai.

ALTERATION OF CONDOMINIUM

Air conditioners must meet size requirements. Owners must obtain ARC placement guidelines prior to installation – refer to the ARC guidelines. Any repair or replacement of air conditioning must follow directions and specifications as stated in the documentation attached to the A/C cabinet inside the unit, and such equipment installed incorrectly or of the wrong size will need to be moved or replaced at the owners' expense. It is imperative that your installer has Wayne or Naples Fire turn off the sprinkler water and disable the sprinkler prior to any soldering done at your air handler. If you fail to comply and there's resulting water

damage to your unit or other units, you will be held financially responsible for all related costs.

Unit owners are specifically cautioned that their right to make any addition, change, alteration, or decoration to the exterior appearance of any portion of their condominium is subject to the provision of the Declaration of Condominium and is also subject to prior approval of the ARC. All requests for permission to make changes must be submitted in writing to the ARC for approval accompanied by written plans when requested or drawings or specifications. (Application forms are on the HP website.) Examples needing approval: screen doors, windows, window coverings, window films, shades for the lanai, door locks, tile flooring for lanai or entryway and underlayment for all hard surface flooring within any unit on 2nd, 3rd or 4th floors. The Board of Directors shall approve such requests only if the Association is protected against or indemnified as to construction liens and/or claims arising from such work.

EMERGENCIES IN OWNER'S ABSENCE

All residents must provide the HP office with their contact information – preferably phone and email. In order that proper steps and procedures may be taken in a minimum amount of time during an emergency or for the required annual fire inspection of units, the Association shall retain a key to all units. The locks of each unit and storage room are not to be changed or altered without providing the Association with a duplicate key. Keys will be kept in a locked storage box, in a locked cabinet in the Community Center secured office. The Office Administrator will be in charge of the keys.

Any unit owner who is going to be away from his unit for more than 48 hours must prepare his unit prior to the departure in the following manner.
