

My name is Ron Click and I have been a part of the Heritage Pointe community since 2015. My wife, Jo, and I have been full-time residents since 2020. We are dog lovers and have two boxers Harper and Dolce and you can usually find us walking along the beautiful paths or sitting on the bench by the pool talking to friends and neighbors.

I spent thirty-eight years as a letter carrier in Southern Illinois and served as the President, Vice President, Treasurer, Health Insurance Representative, and Shop Steward over the years for our local union of 150 members.

I believe in giving back and currently I volunteer three days a week at the Gladiolus Food Pantry. I am ready to serve the Heritage Pointe community and I look forward to meeting many new and old friends!

I appreciate your consideration.

Thank you,

Ron Click

## Char Creech

Ken and I are natives of Cincinnati, Ohio, married 52 years with two daughters and six grandchildren. We became full time residents of Heritage Pointe in 2017.

I have served the past four years as Board vice president with responsibility for the pool. For most of us, our pool is the main attraction, and it's been my pleasure to maintain it for all to enjoy.

My 50 years work experience was in administrative support, office management and supervision in the manufacturing, retail, insurance and banking industries. This experience was certainly beneficial in managing the HP office during the past several transitional months. I learned a lot during that time, the least of which was even more respect for Sylvie while trying to fill her shoes.

I would greatly appreciate the opportunity to serve another term as a member of our board and thank you for your consideration.

To all Heritage Pointe owners:

My name is Steve Hartley. I'm running for another term as a HP director. My wife (Cathy) and I have been owners since 2011. After years of travel back and forth, we become full time Heritage Pointe residents in August of 2019. HP is now our only home.

In 2018 I ran for, and won, a seat on the board. At that time, I took over the responsibilities of landscaping director. Since elected, I've worked diligently to improve landscaping throughout community. This includes irrigation, trees, turf, and plants. I've replaced numerous failed plants and overseen several major landscaping renovations. These improvements have taken place while staying within a very limited yearly planting budget.

As a full time resident director, I help other directors with their responsibilities when they are off property.

I want to thank all of those who have supported me during my tenure on the board. I would like to continue serving as one of your board members. If re-elected, I will continue to fulfill my fiduciary responsibilities and work passionately to make Heritage Pointe a great place to live.

Sincerely

Steve Hartley

Director in charge of landscaping

Joyce Jager

16675 Lake Circle Drive

Unit 932

I am an original owner in building 9. After my retirement in 2007, I was able to spend more time at my Florida home and am now here about 10 months each year. I worked in the education field, as both a Teacher and Principal in the Chicago Public Schools for 42 years.

I have served on the HP Board as a Director in charge of parking and roads, as Secretary also in charge of activities, as Vice President and now as President.

As President, I am responsible for overseeing the daily operations, handling emergencies, preparing for and presiding over meetings and liaison with our Management Company, lawyer and vendors.

Over the last few years there have been many challenges: Irma recovery, replacement of the roofs, and all of the COVID-19 restrictions. In addition, the Board has done landscaping and irrigation improvements, increased building and landscape lighting and increased the size of the gym.

I have enjoyed working with the Board and the many volunteers who assist in making Heritage Pointe a great place to live. I am willing to serve on the Board again and am asking for your vote.

My name is Roslyn Johnson. I have been a part of the Heritage Pointe community since 2003. I live in building one, and you can usually find me walking early in the morning, enjoying our beautiful community, and saying hello to others. I usually know where the resident Alligator is hiding. 😊

I am from Virginia and raised two daughters while working full-time at Xerox Corporation in a leadership role overseeing many projects. I have been blessed with three grandchildren that keep me young at heart.

After I became an empty nester and before I retired, I downsized to a condominium community and quickly saw change was needed, so I decided to run for a board position. I was elected and remained as the board President for thirteen years. With the help of the management company, homeowners, and countless others, we turned around the association and community to be a terrific place to live.

I loved walking the community daily, talking to homeowners, and listening to their input for the community.

I retired from Xerox last year, and I am now a full-time Heritage Pointe resident.

I can be a valuable resource as part of the board based on my experience and having open discussions with homeowners, so they feel heard and respected. It's essential to listen to all homeowners' comments, complaints, or concerns.

I believe I have a great deal of experience and knowledge of what is required of a member of the Heritage Point Board.

If elected, I will serve to the best of my ability to help keep Heritage Pointe an enjoyable, welcoming community for everyone for many years to come!

Thank you for your consideration.

Roslyn Johnson
